## **FRIENDS OF DAWLEY POOLS & PIT MOUNDS PROPOSED LOCAL NATURE RESERVE (LNR)**

The Parish Council is delighted to have convened its first meeting regarding proposals to create a Local Nature Reserve across Dawley Pools and Pit Mounds. The initial meeting enjoyed a full attendance, and though plans are still at an early stage, it is clear that the community is vested in this project and its success. Residents heard from Telford & Wrekin's Ecology and Green Infrastructure Specialist, Mark Latham, who explained the process of setting up a Local Nature Reserve. Working together with the community, we hope that these areas can be preserved for wildlife to flourish for years to come.

Please contact Cllr Concepta Cassar at [conceptafor dawley@gmail.com](mailto:conceptafor dawley@gmail.com) for further information or become a member of the dedicated Friends of Dawley Pools & Pit Mounds Proposed LNR Facebook page.

## FRIENDS OF HORSEHAY POOL & ENVIRONS

Covering the Horsehay and Spring Village Conservation Area, our aim is to assist with the development and maintenance of Horsehay Pool & Environs, including wildlife, habitats, fisheries, heritage and infrastructure of the area. The group has an adopted constitution and membership is open to anyone interested in helping achieve our aims.

Our priority is to create a management plan, including an ecological survey, for the whole area that will set out strategic plans and prioritise appropriate development and maintenance. So far, £1000 has been secured from Veolia through their EnviroGrant

scheme to provide marginal planting in the pool and our local Borough Councillors are supplementing this grant through their Pride Funds.

We will be communicating progress regularly, if you are interested in getting involved, please get in touch:

## THE ANNUAL HORSEHAY HORTICULTURAL SHOW

This year's show was held on August 26th and a great day was had by all. After an anxious time worrying if the weather conditions had affected the growing season our exhibitors all turned up with an excellent display of fruit and vegetables. Our craft section and flower arranging were first class and everyone enjoyed the children's work.

The trophies were presented by Cllr. Alan Scott and the event was attended by the Mayor of Telford & Wrekin Council, Raj Metha and his family, who presented the Horsehay Horticultural Society with Mayor's Certificate of Recognition. I accepted the certificate proudly on behalf of past and present show committee members and volunteers who have put on this show for the local community for over 70 years.

### DAWLEY HAMLETS BLUE PLAQUES

If you've been out and about in the local area we hope you will have spotted some of the new Blue Plaques that are now in place. If you haven't already seen them, two of the prominent ones are on the Horsehay Steam Railway Loco Shed and nearby on the Old Horsehay Ironworks office building.

If you find those two, you might want to seek out the third one in that area on one of the cottages in Old Row. The Parish Council would like to offer a big thank-you to Sarah Houlston at Great Dawley Town Council for her help with this initiative.
