

ANNUAL PARISH MEETING 16th APRIL 2025

PARISH COUNCILLORS REPORT: COUNCILLOR SUE WENNINGTON

I have attended every parish council meeting this year, so am aware of all the issues brought up.

I have attended the climate change conference and zoom meetings concerned with this as a Representative from our council.

I went to both senior residents' parties, thanks to Kathy for organising them.

I supported the local school for their Christmas lunch and one of their nativity plays.

I accompanied one of the CAT team in his van looking round the area and various hot spots to see what a good job they were doing.

Councillor Sue Wennington
