

APM REPORT – CLLR. WENNINGTON

In 2019 I started work to have Christmas Trees in the Parish, but Covid put a stop to this. I spent most of 2021 ensuring the Parish had three illuminated Christmas Trees in Aqueduct, Little Dawley and Horsehay. The trees were illuminated from 18th November 2021 until 5th January 2022. There were many favourable comments from residents, who are pleased that the trees will be back in 2022.
