

Annual Report to DHPC 20th April 2022.

Cll Jayne Greenaway

It is 12 months ago that I was honoured to be elected to the Hamlets Ward in unfortunate circumstances following the death of my dear friend Beryl Onions. I'll admit this was something that shocked us all and her passing has been a great loss to the area. It has made us focus on the true meaning of community, and one which she exemplified. Working together for one aim.

With that in mind it is heartening to see projects which I've been heavily involved in coming to fruition.

Spring Village Play Area.

We are on our way to complete stage 1 of the works and I believe that there are vast opportunities for future improvements. I would like to see small informal events for local children & families, engaging with volunteers to achieve it.

FoHP&E

Great to see, at long last the first signs of the improvements around the pool, I would like to thank the Officers of 'The Friends' for their determination in what has been a very prolonged and drawn out process. We are looking forward to the Scarecrow event.

TSR

Good to see the successful return of 'Polar' I must report that vast improvements have been made by them in responsive communication and engagement with residents. This has been welcomed and appreciated.

Horsehay Horticultural Society

We look forward to the return of the Annual show in September and I am pleased that we can support one of only two remaining societies in Telford. Another great asset to our community.

Major Outstanding Issues for 2022

- St Luke's Rd/Frame Lane & Woodhouse Lane - road & pedestrian safety improvements.
- STW-sewer works to be finalised and completed in Spring Village.
- Old Rd - Improvements & Landscaping Plan

Other Issues.

- Build-out speeds of Doseley Park and Lightmoor Village will affect the Parish, long term. To ensure we have effective representation of Councillors per elector for the Hamlets Ward we will need to ensure that a Local Governance Review comes forward as currently electors in Hamlets are under represented.
