Letter to Dawley Hamlets Parish Council

This academic year, we have been lucky enough to receive funding from the Parish Council to provide additional experiences for our young people.

In October we received a wonderful £649 to cover the full cost of a Pantomime experience here at school. We recognise that our pupils may not have the opportunities to experience a Pantomime and this is the closest that they may have to fulfil this goal. We are incredibly grateful that we did not have to partially fund this ourselves from our budget and that the Parish Council recognise that school budgets are becoming increasingly tight and that we have to prioritise resources. Without the Parish Council's incredibly generous donation, our pupils would not have had this wonderful experience last Christmas.

We continue to be incredibly grateful for the involvement and interest that the Parish Council takes in our school and its pupils and hope to continue to work with you in the future to consider the best interests of our community.

Yours Gratefully,

Mrs Tammy Lockley
