23/164 Community Action Team (CAT)

The updated action plan for March 2024 and a new action plan for April 2024 were circulated to Councillors in advance of the meeting and the contents were noted. The Clerk reported that the new CAT contract had commenced on 1.4.24 for 5 years. Although, due to a significant increase in the contract cost, neighbourhood enforcement time had been reduced the Clerk reported that she was still receiving very regular WhatsApp updates from around the Parish and that regular checks of Aqueduct Primary School, play parks and other areas were being maintained. Fly tips, overflowing litter bins etc were also still being regularly reported by the CAT Team. Our neighbourhood enforcement officers have been invited to attend our summer party of 7th June and have accepted. Cllr. Barnes reported that Pageant Drive required a litter pick, the Clerk will contact T&WC to arrange this.

23/165 Aqueduct Primary School

Tammy Lockley, Headteacher of Aqueduct Primary School, mistook the start time for the Annual Parish Meeting as 8pm and entered the meeting. The Chair invited her to address the Parish Council which she did thanking them for their support over the last twelve months and explaining the changes which have and will be occurring due to the school's recent academy status. The Chair thanked Ms Lockley for the update.

Ms. T Lockley left the meeting at 8.04pm.

23/166 Local Nature Reserves (LNRs) in the Parish

a) To consider FoHP&E schemes and funding proposals

In November 2023 the Parish Council agreed to set aside £15,000 from their reserves to commit to future spending on each of the Parish's two local nature reserves. This month the Parish Council had received details from the FoHP&E group of three schemes which the group would like to introduce in 2024.

Details of these schemes, which were circulated to Councillors in advance of the meeting, were considered in detail and a discussion followed as to how these plans may fit in with T&WC's on-going development of Bridge Road, the designation of the LNR etc.

Development of the Bridge Road has been delayed due to the Chairs absence but it was **RESOLVED** to press on and arrange a meeting with Karl Jones from T&WC and update the FoHP&E of this intention.

The councils current three-year insurance policy ends on 31st May 2024. The Clerk submitted a report for councillors to consider quotations from the three main Town and Parish Council insurance companies, Zurich (current insurer), Clear (previously BHIB) and Gallagher (previously Came & Co). The report was issued to Councillors in advance and was discussed at the meeting. As the council has so far had a good experience with our current insurer Zurich and their quotation was significantly lower than the other two it was **RESOLVED** to renew the existing policy and that we would purchase the three-year policy to take advantage of the additional discount which came with it.

23/170 Correspondence

The council received an email from Dave Barnett, T&WC Prosperity & Investment Officer, to ask if we would like our late Cllr. Onions to be considered as a new street name for a development in Horsehay as he had our request from the Council on file from April 2021. In collaboration with a close friend of Cllr. Onions we have submitted her name for consideration.

We received a response to our letter which was sent to Lady Satchwell, Headteacher of Madeley Academy, commending the student who responded to an incident on Castlefields Way, Aqueduct, in March.
